

fellowships

Call 2015

IBSA FOUNDATION funds each year several young researchers to promote and facilitate the realization of their postdoctoral traineeships with **12 month** fellowships of **€ 24,000.00** in the following five research fields

- 1 in DERMATOLOGY
- 1 in ENDOCRINOLOGY
- 1 in FERTILITY/INFERTILITY
- 1 in ORTHOPEDICS/RHEUMATOLOGY
- 1 in PAIN MEDICINE

evaluation criteria

The evaluation of proposals is carried out by the International scientific board of the Foundation. The IBSA Foundation Direction will make final decision upon considering the recommendations of the International scientific board. Final award decisions are indisputable. Awardees will be invited to attend a ceremony that will take place in the first quarter of 2016 at the headquarters of the Foundation in Lugano (CH). Publications related to the research funded by IBSA Foundation should acknowledge the support of IBSA Foundation in the acknowledgement section of the manuscript.

eligibility criteria

The applicant, at the deadline for the submission of proposals, be under 35 and in possession of a doctoral degree in medicine, biology, pharmacy, biotechnology or have full-time equivalent clinical or research experience.

Applicants should include in the proposal 3 separate files:

- Short Curriculum vitae with relevant publications
- Short description of the proposal, containing background and significance, specific aims, research plan, and references (4 pages max)
- Letter of acceptance by the host institution for the 12 month duration of the fellowship

Applicants are invited to submit proposals no later than 31st December 2015

- by e-mail at info@ibsafoundation.org and by hard copy by regular mail to:
